I Forgive You

I Forgive You

You've hurt people in the past.

Caused a lot of pain.

But I can forgive you.

I never knew you were so jealous,

that hatred would cloud your heart.

Always know that I always loved

you, my brother.

Despite your evil, despite what

you do, I could never hate

you as a person.

What you do may hurt me.

What you say might anger me.

But you, you as a person,

mean the universe to me.

I know you still have a heart,

and I will try to reach it again.

To return the goodness that still

lies within your soul.

I am here, my brother, right beside you.

Despite all you do, despite all you

have become, just know that I love

and forgive you.

Because I know that deep down,

you are not truly evil.

Author's Note: Who is speaking and to whom, you ask?Who is this brother and who is the woman? ;) Patience, my dear friends. This is a teaser for a fic that I am in the process of writing.
